SAFE & CLEAN WEEK 7-11 APRIL 2025

ATCM Northern Ireland: Safer Cities

8 April 2025 • 10 - 11.30am • Virtual, via Zoom

Join in to hear about our programme of activities to help improve the look and feel of the area, and other initiatives that are working well across Northern Ireland. These sessions are open to all ATCM members, Purple Flag Areas and to anyone that would like to learn more about the work that the ATCM does regionally and nationally.

How Your Business Can Support Safety & The Night-Time Economy

9 April 2025 • 3 - 4pm • Limelight, Belfast

Members will hear about the vital work done by SOS NI, particularly in relation to the night-time economy. Night Czar Michael Stewart and Orla Farquharson from Limelight will briefly outline their experience of the service and why businesses should support it. Veronica Morris will give a talk on the services and allow time for questions.

Volunteer Day

10 April 2025 • 12 - 2.30pm • District-wide

Volunteers from member organisations will move through the district carrying out litter picking and planting jobs. We are delighted to be partnering with Keep Northern Ireland Beautiful as part of their Big Spring Clean 2025. Come along and help make our district more colourful!

SAFE & CLEAN WEEK 7-11 APRIL 2025

Events taking place district wide throughout the week

Safety Alarms

We are providing safety alarms to any member organisation. Get in touch to request some for your team.

Drugs Dog Patrols

Look out for our police team and dog during Safe and Clean Week as they move throughout district and transport hub to identify drugs and instil community confidence.

PSNI Engagement, Visibility & Bike Patrols

Look out for our team as they carry out foot and bike patrols, as well as engaging with member organisations. Get in touch if you would like a visit.

Hospitality Deep Clean

Our dedicated clean team will be power washing and deep cleaning hotels and hospitality for the Easter period, as well as the wider area. We can also action member requests.

Weeding And Biocide

Members can request biocide around buildings and assets to remove moss/weeds and improve the look for spring.
