RE[act]

**9-15
November**

Linen Quarter BID is an independent, not-for-profit organisation dedicated to place-making and delivering tangible benefits for businesses, communities, and the wider city. Through RE[act], we create space for meaningful conversations and practical action around sustainability, while showcasing the innovation already happening across Belfast.

RE[act] Festival is rooted in optimism and action. It explores the everyday choices that shape our future, from the food we eat and how we travel, to the energy we use and how we care for our natural environment. The festival celebrates local leadership, sparks collaboration, and inspires new ways of thinking about a more sustainable, inclusive Belfast.

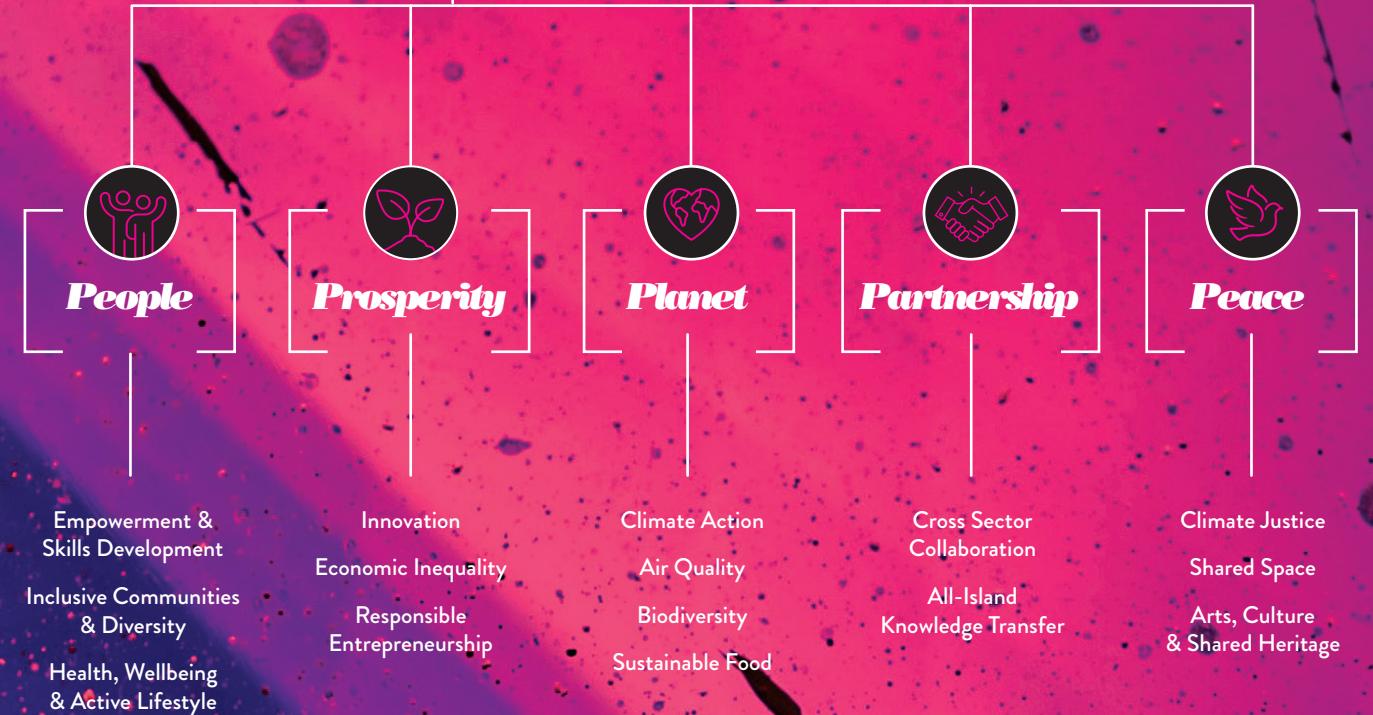

Taking place city-wide from 9–15 November 2026, the festival will be built around five core themes: **People, Planet, Peace, Prosperity** and **Partnership**. The programme will feature a wide range of free, accessible and interactive events, including keynote talks, hands-on workshops, masterclasses, film screenings, wellness walks, foraging, exhibitions, river tours, and networking opportunities.

By supporting RE[act] Festival 2026, sponsors will play a visible role in shaping Belfast's sustainability journey, aligning your brand with positive change, community impact, and a shared vision for a better future for the city.

Why sponsor?

Secure your sponsorship today and be a catalyst for positive change at our upcoming festival!

Become a sponsor of the RE[act] Festival and help drive positive environmental and social change across Belfast. Sponsorship offers a visible opportunity to demonstrate leadership in sustainability, support a dedicated themed programme, and engage directly with businesses and communities. Sponsors receive prominent exposure across festival marketing, digital channels, and on-the-ground activity.

1

GREEN BRAND VISIBILITY & ESG BENEFITS

Prominent branding opportunities throughout the festival locations and channels. Your organisation's logo will be prominently featured on site, website, social media, and promotional materials, including post-festival marketing channels, highlighting your commitment to sustainability. This will demonstrate your commitment to environmental stewardship, enhancing your reputation as a socially responsible organisation, while building goodwill within your community that creates lasting impact.

2

THOUGHT LEADERSHIP OPPORTUNITIES

With available professional support from our local PR agency Navigator Blue, create a thought leadership content to provide industry expertise, insight, and experience. Participate in keynote speeches, panel discussions, exhibitions, and workshops. Share insights, best practices, and innovative solutions to inspire attendees and drive meaningful change in the industry.

3

FESTIVAL RECEPTION DINNER & DRINKS

Connect with like-minded individuals, professionals, and decision-makers at our exclusive hospitality event with headline speakers and delegates that could build relationships, exchange ideas, and explore collaboration opportunities to further advance sustainability initiatives within your industry.

4

GUARANTEED SEATS

Guaranteed tickets for all headline events and priority tickets for sub-events during the day ensuring participations in every vital conversation, providing an opportunity to share your expertise and gain insights in addressing sustainability challenges. *The number of guaranteed seats will depend on the size of the event and nature of activity.*
