THE RETURN OF OUR VIBRANT SUMMER EVENTS MAKES LINEN QUARTER THE STAGE FOR SUNSHINE SOCIALISING IN BELFAST!

We have two exciting new opening in the district: HALT on the site of the former Europa Bus Centre, will breath new life into the space and provide an essential first stop for those visiting from Belfast's Grand Central Station. The station itself will play host to a range of Tradfest events throughout July – including Pop up céilís and bodhrán circles.

Over at our Flaxx Deck, we are launching a new Canadian street food concept – Jon's Place – with lunch time entertainment throughout July & August including music & dance performances, circus acts and a petting zoo.

Our 3rd Annual Inter-Company Pétanque Tournament is also sure to bring office workers out in the district and a way for teams to improve workplace relationships. Finally look out for the fantastic discount offers that we are assembled for local employees to enjoy.

We look forward to welcoming you to Linen Quarter Live this summer.
