Christmas Terms & Conditions

Provisional Bookings

All provisional bookings made 28 days in advance of your chosen party night date will be held for a period of seven days before either confirmation or cancellation of the booking is required. Full contact details, including both day and evening contact telephone numbers, should be given at time of booking. Should the required £10.00 per person deposit not be paid within seven days of provisionally booking, all spaces on hold will be automatically released (unless otherwise arranged with the Christmas Coordinator). Where a new booking is made less than 28 days before your chosen party date, full payment will be required immediately; no provisional hold will be available after this time.

Confirmation/Deposit

A non-refundable and non-transferable deposit of £10.00 per person is required to secure your booking.

All final payments, preorders and special dietary requests should be finalised four weeks prior to the party night date. Please note that paying your party night deposit means all attendees agree to all of the terms and conditions stated on this page. If you have any queries or questions in relation to any of the stated terms and conditions, please contact our Christmas Coordinator prior to paying your deposit.

Final Numbers/Payment

Once all final payments are made, they are strictly non-refundable and non-transferable. The acceptance of any increase in numbers will be subject to availability. If numbers for your booking should drop, payment already made will be strictly non-refundable and non-transferable. The hotel reserves the right to refuse admission to any persons behaving in an antisocial way on the night and, in this event, strictly no refunds will be offered.

Cancellation

In the unfortunate circumstance that you should have to cancel your booking at any time, please firstly inform the Christmas Coordinator verbally, followed by a written notification. Please be aware that NO refunds will be given for cancelled bookings under any circumstances. In the unlikely event that numbers for a party night do not reach the level deemed by the hotel to make a satisfactory atmosphere, the event will be cancelled. In this case, guests will be invited to change the date of the party (where available) or receive a full refund. The hotel reserves the right to refuse a booking if it is deemed detrimental to the hotel's property or business.

Function Room Seating

Please note that although we will endeavour to keep all parties together in one area of the room, there may be occasions when this is not possible. Large parties may have to be split between a number of tables. Smaller parties may have to join together to complete a table.

Catering/Special Dietary Requirements

All food and drinks consumed on the premises must be purchased from Clayton Hotel Belfast. We do not permit any outside catering within the hotel. We are unable to guarantee a nut-free kitchen. Any food provided by the hotel is not permitted to be taken outside the venue premises. All menu pre-orders must be supplied to the Christmas Coordinator no later than four weeks prior to your event date. Please note that all special dietary requirements must also be supplied at this time (e.g. coeliac, lactose intolerance)

Children under 18 years of age are not permitted in the hotel after 9.30pm

Wishing you a very
merry Christmas
from the
Clayton Team!
